

# QART Paths of Standardization

Carolyn Ford (ITS-NTIA)

Mikołaj Leszczuk (AGH)

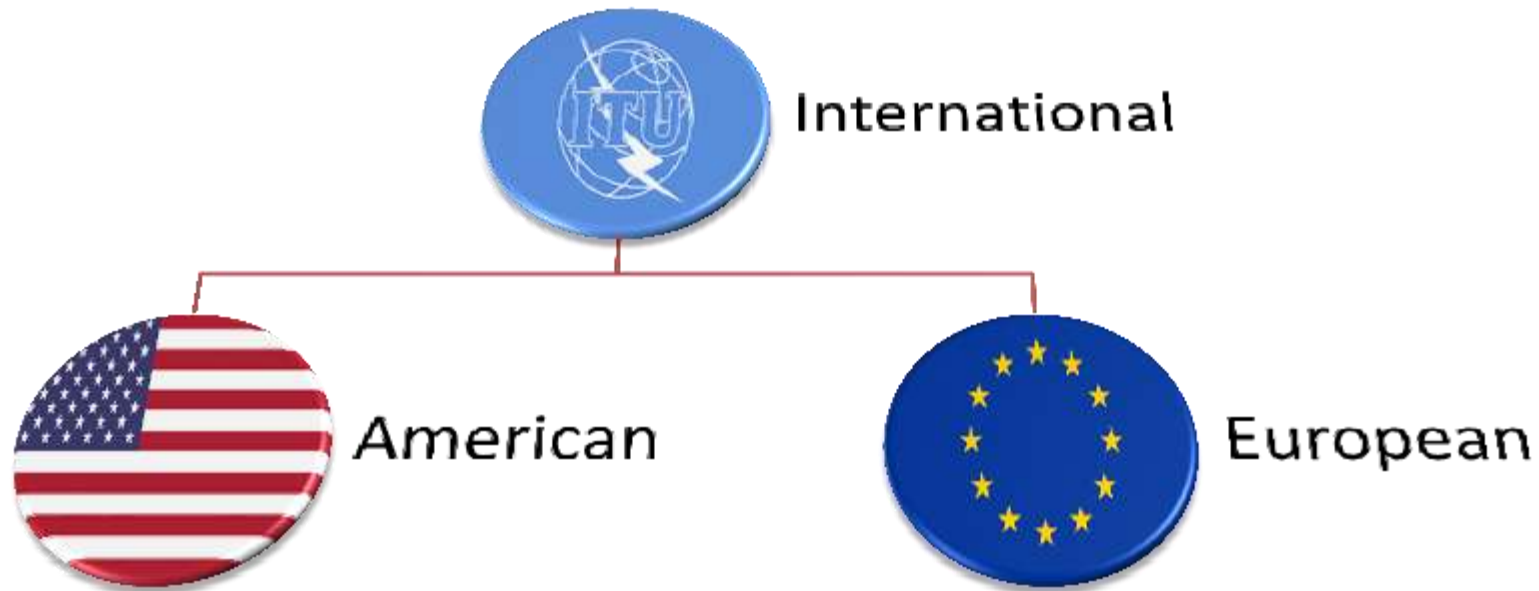

# Main Paths

# Slide(s) from Carolyn on Standardization of Test Methods

- ITU
  - P.912
    - Task-based, binomial
- Motion Imagery Standards Board
  - Motion-NIIRS
    - Mostly military, aerial
    - Expert-rated
    - They are very interested in expanding scope

# Short- and Long-Term Standardization of Quality Thresholds

# Towards Standards on Quality Thresholds

# American Standardization

# American Standardization

- Test methods
  - ITU (P.912), as mentioned previously
- Thresholds
  - ASIS International (American Society for Industrial Security, ANSI accredited,)
  - SIA (Security Industry Association)

# European Standardization

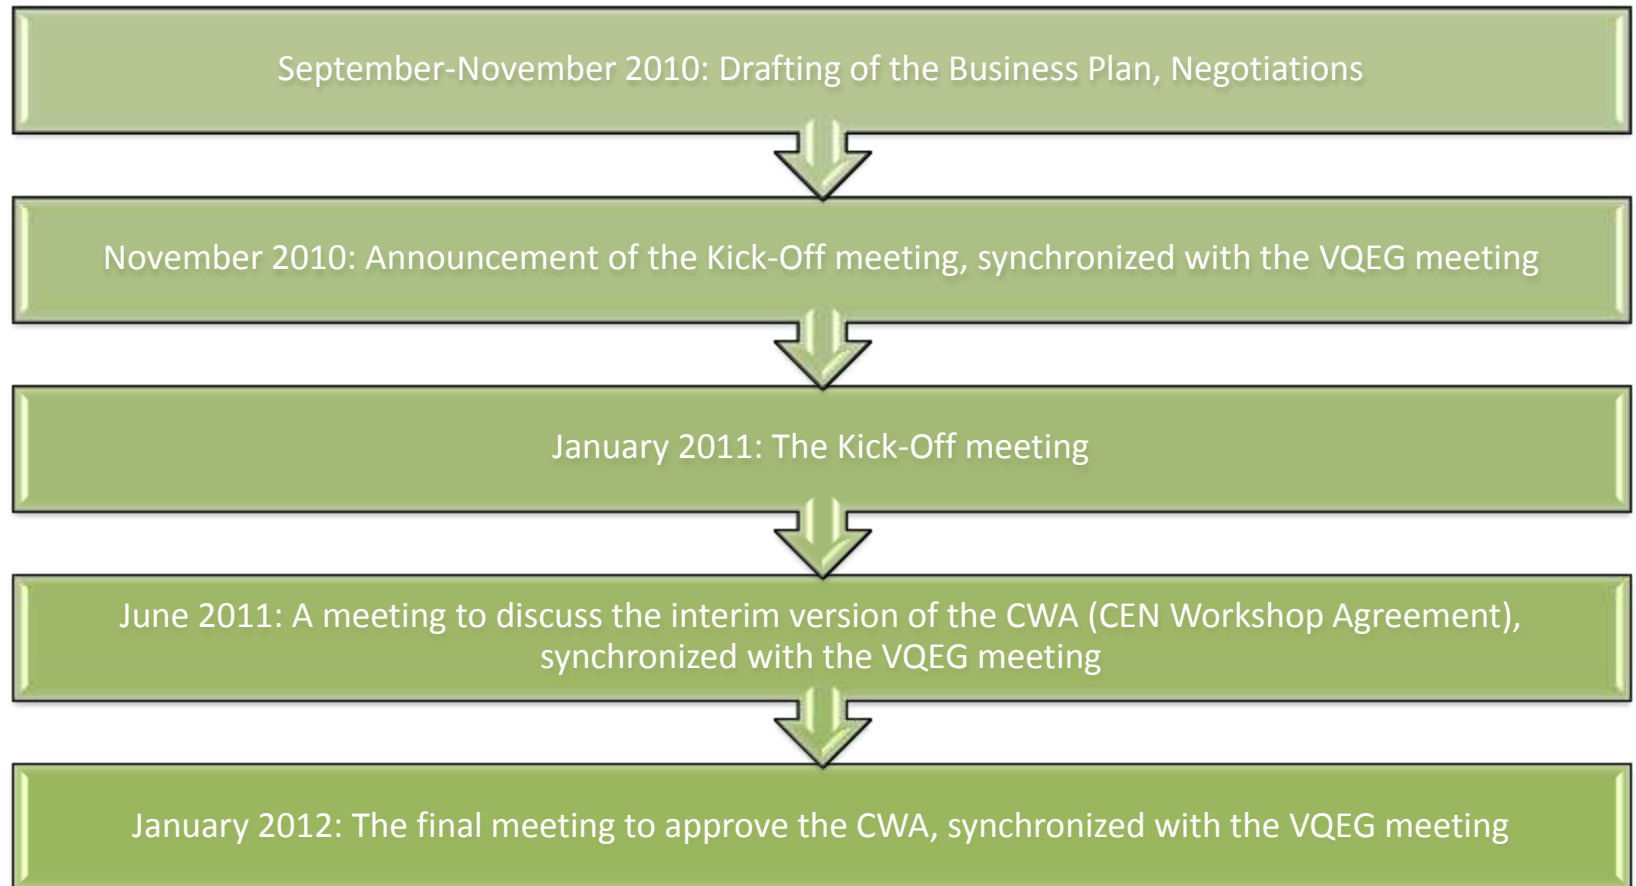

# CEN Workshop Agreement

- Consensus-based specification
- Drawn up in an open Workshop environment
- CEN publication
- To be obtained from CEN Member Organizations
- Might be provided freely on CEN Web-site
- CEN copyright

# CEN Workshops Roadmap

## Optimistic – Unrealistic? ;-)

# Preliminary List of Companies
